2009 County of Riverside Backyard Composting Program

Presented by
Riverside County Waste
Management Department
14310 Frederick Street
Moreno Valley, CA 92553
(951) 486-3200 or (800) 366-SAVE
www.rivcowm.org

Low cost bins available for purchase by Riverside County Residents.
CHECKS ONLY PLEASE!

COMPOST BINS

A compost bin will help to keep your compost pile neat and tidy, deter rodents from digging in your pile, and help your pile to retain heat and moisture. The compost bin should be approximately 3 feet wide x 3 feet deep x 3 feet tall. Take the time to consider your options and the style of composting that is most convenient for you. Compost bins can either be homemade or purchased.

Biostack Bin

This bin is manufactured by Smith & Hawken. It stacks for easy turning of material, has large air slots that offer good ventilation, and the lid keeps the material from drying out or getting too wet. (28" x 28" x 34"h)

Price: **\$50.00** (Price good thru 06/30/09)

GEOBIN

This bin is is easy to assemble, easy to fill and easy to maintain. It is made of rugged, lightweight plastic that you can start using in minutes. Due to the generous number of air holes and open top, the composting process takes place very quickly. (3' H and makes a bin that is 3' to 4' around)

Price: **\$12.00** (Price good thru 06/30/09)

Volunteer Master Composters Needed!

Become a volunteer Master Composter with the
Riverside County Backyard Composting Program!

- You will be part of an elite group of Volunteer Master Composters who will:
- *Help with all aspects of the program
 - *Become a home Compost Expert through the extensive 6 Saturday training course.
 - *Teach your family, friends, neighbors and fellow County residents "How to Compost"

Classes forming now. To sign up for the class or for more information please call:
(951) 486-3200 or (800) 366-SAVE or visit www.rivcowm.org

To purchase compost or mulch in bulk, or to recycle green or woody waste, visit www.rivcowm.org for a list of companies selling compost/mulch

Backyard Composting Program Description

The program will cover the following topics:

The Biology of Composting

How to compost

What to compost
